SPECIAL MILITARY LICENSE PLATE INFORMATION

To qualify for a special military license plate, an applicant must submit all documentation as required by the West Virginia Division of Veterans Affairs in Part II of the application.

1. Please specify which plate you qualify for and wish to use on the indicated vehicle.
2. Please complete Part 1 of the application. The vehicle on which the plate will be placed must be a Class A (passenger car or truck). The vehicle must be currently titled in West Virginia in the applicant's name.
3. The fee for a Class A (car or truck) special military license plate is the regular registration fee of \$30.00, and an additional one time fee of \$10.00. If your current plate is due to expire within two months, please enclose a copy of your personal property tax receipt. Special military license plates will expire July 1 of each year. Please attach your check payable to DMV to the application.
4. Part II of this application must be certified by the West Virginia Division of Veterans Affairs. Applicants may submit the application to your local Veteran Affairs office. Attach copies of documents which verify the award of the indicated medal. Eligibility for the special military license plate is contingent upon providing the West Virginia Division of Veterans Affairs with any information or documentation that they deem necessary to verify eligibility. Once Veterans Affairs has certified your application, you may submit it to your regional DMV office.
5. Within ten days after receipt of the special military plate, the current plate and registration card must be returned to the Division of Motor Vehicles or transferred to another vehicle titled in the applicant's name.
6. In the event of the death of the special military license plate holder, the license plate may be retained by the surviving spouse until remarriage, non renewal or death. The surviving spouse's name must be on the title.
7. Additional special military license plates may be obtained by completing another Form DMV-48K.
8. Your fee is based on the expiration date of your present license plate. Use the first letter or number of your license plate to calculate your fee. This amount includes the one-time \$10.00 fee. All special military license plates will expire July 1 of each year. Your renewal fee will be \$30.00 per year. Please submit the correct fee with your application before mailing. All special military license plates may be issued for two years.
